### Latin America and the Caribbean (LAC)

Now faces unprecedented health and economic issues. The private sector can be part of the solution. Access to financing is key for businesses in LAC to minimize the impact of COVID-19 and maximize their resilience.

- **+1.6%** expected LAC growth as of January 2020.
- **-9.3%** projected LAC contraction as of July 2020.

IDB Invest is delivering on its response to the pandemic in Latin America and the Caribbean.

Latin America and the Caribbean (LAC) now faces unprecedented health and economic issues. The private sector can be part of the solution. Access to financing is key for businesses in LAC to minimize the impact of COVID-19 and maximize their resilience.

### Our Goals?

- **Provide financing to banks that support further on-lending to MSMEs**
- **Boost our trade finance facilitation program (TFFP) to sustain the sources for LAC importing and exporting companies**
- **Increase corporate lending to tourism, manufacturing, agribusiness and technology sectors with a strong and clear impact to respond to the current crisis**
- **Continue supporting infrastructure projects to aid development and help-economic recovery**
- **Reignite growth by financing critical sectors to support recovery**
- **Protect and alleviate healthcare constraints, promote food security, maintain jobs, restore supply chains, and sustain sources of income, especially for MSMEs**

IDB Invest is delivering on its response to the impact of COVID-19 in Latin America and the Caribbean.

**IDB Invest’s response includes the following:**

- **Supporting the enhancement of food distribution in Ecuador by financing TIA S.A.**
- **Promoting financial inclusion and digital transformation in the textile sector in Chile with Cap y Cop Intercon and subordinating $1.6 million**
- **Structuring and subscribing the first social bond issued by a private financial entity, La Hipotecaria, in Colombia**
- **Bolstering the textile sector value chain through expanding jobs for women in Honduras through Elcatex**
- **Reinforcing energy efficiency in Barbados with Caribbean LED Lighting**
- **Supporting AES El Salvador to provide relief to end users by allowing delays in billing collections during Covid-19 crisis**
- **Supporting Ferrocarril Central, the main railway route in Uruguay, and LD Celulose, the biggest pulp company in Brazil.**
