This infographic contains key figures from the 2018 joint report on multilateral development banks' climate finance.

It was prepared by the European Bank for Reconstruction and Development, together with partners the African Development Bank, the Asian Development Bank, the European Investment Bank, the Inter-American Development Bank Group, the Islamic Development Bank and the World Bank Group.
In 2018, the MDBs committed US$ 43.1 billion in climate finance in developing and emerging economies.

Climate finance commitments by the Islamic Development Bank (IsDB) are not included in total reported MDB climate finance for 2018. IsDB climate finance was estimated to be US$ 351 million, of which US$ 226 million was for climate change mitigation, US$ 77 million for climate change adaptation and US$ 47 million had dual benefits of mitigation and adaptation.
