## General Information

### Additional Information Regarding the Notes

#### 1. Matters relating to MiFID II and UK MiFIR

IDB Invest does not fall under the scope of application of either the MiFID II or the UK MiFIR regime. Consequently, IDB Invest does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of MiFID II or UK MiFIR.

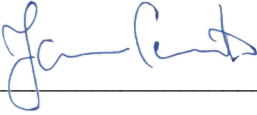

**MiFID II product governance / Retail investors, professional investors and ECPs target market** – Solely for the purposes of the EU manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the EU manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the EU manufacturer’s target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression “EU manufacturer” means Deutsche Bank AG, London Branch and the expression “MiFID II” means Directive 2014/65/EU, as amended.

**UK MiFIR product governance / Retail investors, professional investors and ECPs target market** – Solely for the purposes of each UK manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the EUWA, eligible counterparties, as defined in COBS, and professional clients, as defined in UK MiFIR; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the UK manufacturers’ target market assessment; however, a distributor subject to the UK MiFIR Product Governance Rules is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the UK manufacturers’ target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, (i) the expression “UK manufacturers” means Deutsche Bank AG, London Branch, HSBC Bank plc, and J.P. Morgan Securities plc and “UK manufacturer” means any one of them, (ii) the expression “COBS” means the FCA Handbook Conduct of Business Sourcebook, (iii) the expression “UK MiFIR” means Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA and (iv) the expression “UK MiFIR Product Governance Rules” means the FCA Handbook Product Intervention and Product Governance Sourcebook.
