

The operation has been classified as a Category B project, in accordance with IDB Invest's Environmental and Social Sustainability Policy because its environmental and social risks can be mitigated via measures that are available and feasible to implement in the context of the operation.

The project has a construction permit as required by the national legislation, which was granted by the Ministry of Transport, Communication and Tourism. Also, as per IDB Invest request, the Company prepared an Environmental Assessment for the Project, which can be found on this web site.

The Performance Standards (“PS”) triggered by the Project are: i) PS1 Assessment and Management of Environmental and Social Risks and Impacts; ii) PS2 Labor and Working Conditions; iii) PS3 Resource Efficiency and Pollution Prevention; and iv) PS4 Community Health, Safety, and Security.

After the ESDD, an Environmental and Social Review Summary (ESRS) and an Environmental and Social Action Plan (ESAP) will be posted in this website.
