

This is a category FI-2 project according to the IIC's Environmental and Social Sustainability Policy ("IIC Sustainability Policy") because the subprojects in the financial intermediary's current or future portfolio are considered medium risk. To enable the Borrower to better understand the IIC's requirements, FICENSA will be required to attend the IIC's environmental training workshop for financial intermediaries. Each subproject will be subject to an environmental review and must comply with domestic environmental and labor laws, regulations, and standards, as well as IIC environmental guidelines.
