

Environmental and Labor Issues:

This is a Category FI-3 project according to the IIC's Environmental and Social Sustainability Policy. To enable Wells Fargo to better understand the IIC's requirements, Wells Fargo will be required to attend the IIC's environmental training workshop for financial intermediaries. The agreement with Wells Fargo will also specify that the underlying goods to the transactions will meet the requirements of the IIC Exclusion List and require Wells Fargo to report on this on an annual basis. IIC will review the transaction portfolios to ensure compliance with the IIC Exclusion List.
