

Environmental and Labor Issues:

This is a category III project according to the IIC's environmental and labor review procedure because it could produce certain effects that may be avoided or mitigated by following generally recognized performance standards, guidelines, or design criteria. To better understand the IIC's requirements, Banco Hipotecario de El Salvador, S.A. shall be required to attend the IIC environmental training workshop for financial intermediaries. Each subproject will be subject to an environmental review and must comply with domestic environmental and labor laws, regulations, and standards, as well as IIC environmental guidelines.
