

This is a category III project according to the IIC's environmental and labor review procedure because it could produce certain effects that may be avoided or mitigated by following generally recognized performance standards, guidelines, or design criteria. To enable the Borrower to better understand the IIC's requirements, AGCO Capital Argentina S.A. shall be required to attend the IIC financial intermediary environmental training workshop. Each subproject must comply with national environmental and labor laws, regulations, and standards as well as IIC environmental guidelines.
