

Environmental and Labor Issues:

This is a category III project according to the IIC's environmental and labor review procedure because it could produce certain effects that may be avoided or mitigated by following generally recognized performance standards, guidelines, or design criteria. BAC San José, S.A. is familiar with the IIC's requirements because it has attended the IIC's environmental training workshop for financial intermediaries. Each subproject will be subject to an environmental review and must comply with national environmental and labor laws, regulations, and standards as well as IIC environmental guidelines.
