

The Partial Credit Guarantee Program will be a Category III project according to the IIC's environmental and labor review procedure because moderate, specific negative impacts may result that can be mitigated by implementing well-defined, generally recognized solutions.

As part of the evaluation process, the eligible issuers will be subject to an environmental review performed to ensure they comply with the IIC's environmental and labor review standards. NAFIN has already sent staff to the IIC's environmental training workshop for financial intermediaries.
